# Making **GOD'S LOVE** Visible.

## Conversations about missions that matter. Wednesday, May 31—after supper

One of our beloved Advent banners reads, “God’s Love Made Visible.” When God took on a body in the form of Jesus Christ, God’s love was made visible in an amazing way, and, now, as the body of Christ on the eve of Pentecost, we seek to continue incarnating God’s love to the world.

Throughout the years, members of Lake Shore have served God, the community, and the world in countless ways. After supper on Wednesday evening, May 31, we invite you to join us for a round table discussion about our congregation’s ongoing sense of mission and calling.

We want to hear from you about where you see God at work in our congregation and community. We want to know what is stirring in your heart and tugging at your feet. We want to listen to one another and see what common themes and values and aspirations emerge from a church-wide conversation. We want to celebrate together our congregational identity and explore how we might continue to be who God has created us to be.

Every now and again it is good to pause and reflect, to remember who we are, receive one another’s wisdom, renew and

recreate our commitments, and imagine our future. Will you join us? Every voice matters, and we want your voice at the table.

**If you are on the regular Wednesday night supper list, we will consider you registered for the May 31 meal. If you would like to add your name to the list, or if you need to cancel your reservation, let us know by 1:00 today, so we can order plenty of pizza, salad, and dessert for everyone. We’ll serve from 5:15-5:45 p.m. and then have concerns and celebrations. Our “Conversations about Missions that Matter” will be around the tables in the sanctuary at 6:15. Children will participate in their regular programs. Choir will meet at 7:15.**

Responding to the needs in our world can be life-giving to the people we serve. Yet those of us who serve also sense the life-giving power of God’s Spirit, filling us with energy, creativity, and vision. If you minister through a Lake Shore missions covenant group now, we hope you will be here to tell your stories. Or if an idea has caught your attention – and spirit – and you would like to share your idea with the church, we hope you’ll add your thoughts to the conversation.

Each person’s stories matter. Each person’s experiences matter. Each person’s vision matters. The information gathered on this night will help inform missions at Lake Shore as our church moves toward Pentecost Sunday and into the world in Christ’s name.

Grace and peace,  
Kyndall and Sharlande

## Summer Sabbath

Again this summer we invite you to send a digital photo of a place or experience that “says Sabbath” to you. Past collections have ranged from images of the New Mexico sunsets to Canterbury Cathedral. Not traveling far? What about a sunset in your backyard, a napping toddler, a meal on the back porch, or the tomatoes in your garden? We will feature a photo in the each week of the summer. Send your summer Sabbath picture to both [Sharlande@lakeshorebcwaco.org](mailto:Sharlande@lakeshorebcwaco.org) and [krysta@lakeshorebcwaco.org](mailto:krysta@lakeshorebcwaco.org).

**breadfortheworld**  
HAVE FAITH. END HUNGER.

## Offering of Letters June 11

Nearly 800 million people worldwide suffer from hunger and 159 million children under the age of 5 are malnourished. Initiatives led by the United States such as Feed the Future are paving the way for the world to end extreme poverty and hunger by 2030. Since 1990, hunger and extreme poverty rates have been cut in half worldwide. U. S. leadership has contributed to this dramatic progress. Cuts to these vital international hunger and nutrition programs would roll back this progress, but cuts are relatively likely soon unless Congress hears from us.

What about our national debt? It may grow rapidly in the next decade due to policy changes and demographics. Its growth will not be due to international poverty-focused development programs which up less than one half of one percent of our federal budget. Even domestic nutrition programs comprise less than 3 percent of the budget.

Please write letters to Representative Bill Flores and Senators John Cornyn and Ted Cruz for our June 11 dedication of Bread for the World letters in worship. Bring your letters to church on June 11 or get them to Gail Boyd, Judy Bowman, or the church office beforehand. See sample letters on the wall on Sunday. We’ll even stamp and address your letters.

Thanks for your participation.

## Summer Music at Lake Shore

As the Medieval song exclaims: "**Sumer Is Icumen In, Laude, sing Cu-cu**" (Summer is Coming! Sing Praises like the cuckoo). As summer comes, our choir naturally thins out due to travel plans for vacation. However, the music program at Lake Shore is committed to providing opportunities for our congregants to worship through music and song throughout the entire church year.

To that end, I invite anyone with an interest in participating in the program to contact me at: [curtis@lakeshorebcwaco.org](mailto:curtis@lakeshorebcwaco.org) We are interested in choristers, solo singers, and instrumentalists.

The Choir rehearses every Wednesday night at 7:15, and we have a pre-service warm up at 10:30 am on Sundays. Please be in touch! — *Curtis Streetman*

## The Gathering

On the first Sunday of every month we gather food in the basket by the front door of the sanctuary. In addition to Goldfish crackers and graham crackers for snacks, this month the center can also use laundry detergent and dryer sheets. Thank you for these important contributions to the ministry of our Children's Center.
