### Photos for New Church Directory

We are completing the directory for the [new](#) website. Family or individual photos can be sent as email attachments to [photos@lsbcwaco.org](mailto:photos@lsbcwaco.org)

Photos of families or individuals will appear in the directory with dimensions, 618 pixels wide and 543 pixels high. If you submit your photo with those dimensions, it will appear in the directory exactly as submitted. If you submit it with a different shape, we will crop it to fit the directory template. If you do not have a current photo or you would like an updated one, please email [sharlande@lsbcwaco.org](mailto:sharlande@lsbcwaco.org).

If you signed up to have your name or the names of your family members listed in the new directory, you should receive a copy of the email list this week. Please let [krysta@lsbcwaco.org](mailto:krysta@lsbcwaco.org) know if your information is correct. Need edits? Please note the corrections in a return email. Also, contact Krysta if you have not yet asked to be included in the new directory (which will be available online, but only to those who are in the directory), but would like to be included.

# *Prayer for the World*

Offered in worship on June 18  
by Jim Nogalski

It's our job, God, to help others see you in this world.

Help us help others to see.

In the colors of the rainbow, and the sweet smells after a rain,

help us help others to see.

In the laugh of a child and the smile of a stranger,  
help us help others to see.

In the aftermath of moments of pain,  
when the water failed to put out the fire  
in a London high rise,  
when the crack of a bat gave way to the crack of  
a gun,  
when a disgruntled employee went postal at a  
UPS office,  
when bombs drop like rain on villages in Syria  
and Afghanistan,  
in the aftermath of such terrible violence,  
help us help others to see.

Or maybe, before.

It's our job to tap the world on its shoulder  
and point and say "God."

In the colors of the rainbow, the smells of the  
rain, the laugh of a child, and the goodness  
of strangers,  
help us help others to see.

## **Thank you to Carol Spain . . .**

For more than three decades, Carol Spain has faithfully operated the sound system, or made sure that someone was sitting in her place if she needed to be away. She spent most of her time at the sound board on Sunday mornings, but she also made sure we could hear on Wednesday nights, Christmas Eve, during Holy Week, and at memorial services, weddings and wedding rehearsals, Soup Suppers, concerts, and any other time we needed good sound. Many times during Sunday School, Carol has been busy preparing microphones for sermons, children's time, and communion, and helping worship leaders to test their voices at the pulpit. Some of us have needed hearing assistance devices, and Carol has always been there to help. Thanks to Carol for her faithful example of service. Rufus has encouraged and helped her. And now we also thank Nate Myrick, who has been working with Carol for several months, and will inherit the main responsibility for helping us to hear each other.

## Prayers for...

Beth Raymond asks prayers for her father, Dean Cayo, as they see specialists and make significant decisions about his care.

Dave Kopplin, whose good progress during the past week is encouraging to all of us. He had his first outing (to World Cup Café) on Monday.

Liza Davis, daughter of Dorothy Lynn, grieves the loss of her mother. Dorothy who was a member of Lake Shore for many years, died Sunday night in Atlanta. Dorothy moved to Georgia in 2010, so she could be closer to her daughter. Her family would like to have a service later this summer here at Lake Shore, "her spiritual home."

JoAnn Miller is at home. She would enjoy visitors.

Vicky Hunt is encouraged that the chemo seems to be keeping her multiple myeloma in check.

Our youth and adults who are at camp this week in Kerrville: Shannon Anderson, Rebekah Briscoe, Avery Cameron, Chandler Evans, Noah Fau, Zachary Helton, Molly Hepp, Lawyah Kari, Lum Kari, Isabelle Murphy, Kyndall Rothaus, and Connor Wright.

Beverly Hill is now be in the wound recovery phase of treatment for melanoma. She will be monitored for the next five months as she heals and receives additional postoperative treatment. She wants to thank all of her Lake Shore friends for their expressions of concern and support.

Amy Spinella, who regularly visited Lake Shore for the last several months, passed away last weekend. She taught in the English departments at Baylor and MCC, and more recently, at University High School. Amy was a friend to several members of Lake Shore and to Heidi Bostick and Stephen Pluháček, who worshiped here for several years. Our prayers are with her family and friends. Plans for a memorial service are being determined.

Our Lake Shore Meals on Wheels site needs a new driver for a Wednesday route. If you can commit an hour on Wednesday to pick up meals at Lake Shore about 10:30 and deliver them to the people on one route, please contact Beverly Hill (email [beverlyhill37@gmail.com](mailto:beverlyhill37@gmail.com)) or Pat Lucas ([Pat\\_Lucas@baylor.edu](mailto:Pat_Lucas@baylor.edu)). They thank you. The Meals on Wheels recipients thank you.

## Sharing a Little Cool Breeze Fans for Waco

You can help make this summer a more bearable for those less fortunate. If you'd like to bring a new or gently used fan, please drop it by the church during office hours. They will be equally distributed between Meals on Wheels and Caritas as a collaborative effort to support older adults. In some instances, your gift could be life-saving.

The 50-plus participants at the Enneagram Workshop on Saturday experienced a kind of spiritual retreat as they learned more about who God created them to be and were strengthened in their compassion for others. Jon Singletary's teaching held lots of wisdom and guidance during the day. He left Lake Shore a copy of the book he often referenced, *The Road Back to You: An Enneagram Journey to Self-Discovery* by Ian Morgan Cron and Suzanne Stabile. It's in the office if you would like to borrow it.

Please remember to wash your mugs on Sundays and put them back on the racks.
