# Sacred Journey

Women's Retreat

January 26-28, 2018

Vicki Kabat will guide us as we experience  
"Inner Journeying  
through Art Journaling."

Lake Shore has a rich history of women's retreats, with each one providing a chance to rest and tend to the sacred. In the calm and quiet of Cedarbrake, together we will practice simplicity, friendship, play, silence, and worship, as we nurture our spirited imaginations (and our imaginative spirits!) in a world beset by too many worries and too much noise. We hope you will put this on your calendar now and plan to join us in January.

Our leader, Vicki Kabat, is a familiar friend to many of you. We are glad that she joined the Lake Shore family this year. Since her retirement in 2010, Vicki has earned certifications in leading contemplative prayer groups and retreats and (in process) spiritual direction. You can learn more about her ministry at <http://www.kabatkind.com>

- The retreat begins with supper on Friday night and ends at noon on Sunday.
- A non-refundable deposit of \$50, due October 29, will secure your place in a double room. The balance of \$100 for a double room is due January 7. \$75 will hold your place in a single room. An additional \$125 for a single room is due January 7. Our deposit is due to Cedarbrake on October 31, so we need your registration in the next few weeks.
- The cost includes two nights' lodging (linens included), five meals, conference center and chapel rental, and program supplies.

*If, at this time, you plan to go to this retreat, please email Sharlande or Krysta to give the retreat committee helpful information for planning.*

*Women from the retreat committee will be in the hall near the office on Sunday.*

*If you would like to complete your registration then, check with them.*

the  
IRRATIONAL  
Season

## Preparing for Advent 2017

God's vulnerable, unconditional love plunges us into the "irrational season." Our Advent theme this year takes its name from Madeleine L'Engle's poem:

*This is the irrational season  
When love blooms bright and wild.  
Had Mary been filled with reason  
There'd have been no room for the child.*

Each year members of our congregation write Advent meditations to guide us through the season.

If you would like to write a short meditation for one of the days — in the form of a reflection, story, song, poem, or prayer, please send an email, saying "yes" to [sharlande@lsbcwaco.org](mailto:sharlande@lsbcwaco.org), telling me you will write, and I will send you further instructions.

Your participation will be a rich gift to us all.

—Sharlande Sledge

### Visio Divina - Jurassic Park

Movies are the most popular way the past few generations have chosen to tell their stories, and just like the stories of our ancestors, they are alive with holy meaning. Last week we talked about Solomon's Temple, and the helpful reasons to craft a space for worship. This week we'll explore the other side of that coin, what happens when you try to limit God to a single place. We'll watch a movie that tells a story about what happens when you try to control the uncontrollable. This is open for all ages, and in fact, it's a great opportunity for adults who loved this movie when it was

new to share this storytelling experience with a new generation! Be sure to check out the [parents' guide on IMDb](#) if you're concerned about content (which can, of course, be scary).

### Weekly Budget Report

Your contributions help fund our mission work, church programs, human resources, and physical facilities. Weekly budget needs for our 2017 budget of \$486,000.00 are \$9,346.15. This week’s budget receipts were \$4,121.
