Summer Sabbath

Libby Bellinger calls this photo, taken in their spot in North Carolina, “Evening in the Mountains.”

Again this summer we invite you to send a digital photo of a place or experience that “says Sabbath” to you. Past collections have ranged from images of the New Mexico sunsets to Canterbury Cathedral. Not traveling far? What about a sunset in your backyard, a napping toddler, a meal on the back porch, or the tomatoes in your garden? We will feature a photo in the each week of the summer. **Send your summer Sabbath picture to both Sharlande@lsbcwaco.org and krysta@lsbcwaco.org.**

Northern Triangle Tour June 28, 6pm-7:30pm

In 2014, more than 68,000 unaccompanied children were apprehended on the U.S./Mexico border, double the number from the previous year. Of this group, the majority are from the Central American countries of El Salvador, Guatemala, and Honduras. Known as the Northern Triangle, this region has a long and complicated relationship with the United States.

Northern Triangle is an exhibition at the Mayborn Museum this summer. It was created by Borderland Collective, opening a space for constructive dialogue and exchange around the current Central American refugee crisis along the U.S./Mexico border.

Last week when Victor Hinojosa was our guest seminar leader, we asked him if he would be willing to arrange a tour of the exhibit for us on a Thursday night, the evening the museum is open late. He said he would welcome the opportunity. Cost is \$8 for adults, \$7 for seniors, and \$5 for children 2-12.

Talking with Megan about our gardens

The energy in the room when Megan Sims told her story led to lots of conversations about how Lake Shore may want to be involved in gardening in new ways, even starting a new right-sized garden here at church. Megan lives in our neighborhood and runs around the church all the time. She would welcome the chance to visit with any of us again to brainstorm how we can create gardens at home and church.

Email sharlande@lsbcwaco.org if you would like to be part of our next visit with Megan this summer. For more information, go to www.farmboundwaco.com

WANTED:

STORIES ABOUT THE CLASSROOM

Do you, or someone you know, have a story about a class you taught or took? Pitch it to Zach for the July storytelling fundraiser! Proceeds go to scholarships for our Truett students.

Summer meals for Waco students

2.8 million Texas students qualify to receive free or reduced-price breakfast and lunch at school. Students often go without consistent meals during the summer break. The Summer Meals Program of the Texas Hunger Initiative provides access to free meals for children (18 and under).

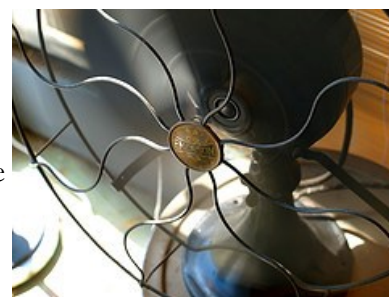

Craig Nash of THI told us about Red Oak, an apartment community that needs help this summer. It is a mixed-income property with a built-in summer and afterschool program (New Life Alliance). Because of their relatively remote location and small numbers of kids they serve (around 20), the school district can't serve them summer meals. They are looking for some help with shelf-stable food items that can be used to make meals for their summer program.

We hope you will pick up some items to fill their shelves and place them in the basket at the front door of the sanctuary through the summer. **Think in terms of bringing enough for one meal for twenty children.** Here are some ideas:

- cereal, applesauce
- pasta and spaghetti sauce
- two loaves of bread and canned tuna
- a bag of beans, a bag of rice, and tortillas
- pancake mix and syrup
- crackers and almond butter (no peanut butter), jelly

Sharing a Little Cool Breeze

You can help make this summer a more bearable for those less fortunate. If you'd like to bring a new or gently used fan, please drop it by the church on Sunday or during office hours. Boxed fans are good choices, and relatively

inexpensive. The fans will be equally distributed between Meals on Wheels and Caritas as a collaborative effort to support older adults. In some instances, your gift could be life-saving. Let's help get things off to a cooler start with fans for some of our older adults.

Children's Corner

Come Play With Us!

Looking for a little extra joy in your life? We are in need of some fresh faces on the volunteer rotation for Extended Care during worship. Most of the parents

of children in this age group are already on the rotation, but this is also a great opportunity for members who don't get to interact with these adorable faces in other contexts to get to know them!

Each rotation lasts about 3-4 months and in that period each volunteer is assigned one date to serve, and one date to be on-call. If you'd consider volunteering on this next rotation (even just to try it out once!) email claire@lsbcwaco.org this week!

Shalom Children's Center

One of our global missions partners is Shalom Children's Center in Twifu, Hemang, Ghana, founded by Christiana Owusu and Lake Shore Baptist Church fifteen years ago. Christiana's family members, among others in the village, were instrumental in offering their gifts to build and maintain the school and gave immeasurable help in the time since. Victor, her brother, was a mechanic who lived in Accra, the capital. He kept the bus going by making needed repairs and replacing tires. Her sister Adjuwa cooked the meals for the children every day in a huge pot over an open fire before the kitchen/cantina was created a few years ago. Both Victor and Adjuwa have died in the last year. We are grateful for them and for the dedication with which they served the mission of Shalom and the value they, too, saw in providing a school that provides not only educational instruction and religious education for several hundred boys and girls in a safe environment but also a uniform and two meals each day.

If you would like to help support Shalom, your gift of \$120 will supplement the meager earnings that many of the parents contribute; most of them, subsistence farmers, contribute toward their children's education; help provide teachers with monthly salaries; and complement the grant from the Alliance of Baptists that has provided funds for projects such as floor tile for the cantina and a new pump for the well.

Make your tax-deductible gift payable to Lake Shore Baptist Church (noting Shalom Children's Center and mail to 5801 Bishop Drive 76710. Email abrister@grandecom.net if you have any questions.
