## Summer Sabbath

### A sign of Sabbath at Lake Shore.

Last weekend, Gordon Lawrence and the building and grounds committee installed a fountain near the front entrance to the church. Water will flow every Sunday morning and during special services, such as weddings and funerals. Thanks to Gordon and building and grounds for the beautiful, cool image in the midst of summer.

Again this summer we invite you to send a digital photo of a place or experience that "says Sabbath" to you. Past collections have ranged from images of the New Mexico sunsets to Canterbury Cathedral. Not traveling far? What about a sunset in your backyard, a napping toddler, a meal on the back porch, or the tomatoes in your garden? We will feature a photo in the each week of the summer.

Send your summer Sabbath picture to both  
[Sharlande@lsbcwaco.org](mailto:Sharlande@lsbcwaco.org) and [krysta@lsbcwaco.org](mailto:krysta@lsbcwaco.org).

## “Northern Triangle” Tour

especially for Lake Shore and friends

Mayborn Museum

Thursday, June 28 , 6pm-7:30pm

When Victor Hinojosa was our guest seminar leader, we asked him if he would be willing to arrange a tour of the exhibit for us on a Thursday night, the evening the museum is open late. He said he would welcome the opportunity. Cost is \$8 for adults, \$7 for seniors, and \$5 for children 2-12.

In 2014, more than 68,000 unaccompanied children were apprehended on the U.S./Mexico border, double the number from the previous year. Of this group, the majority are from the Central American countries of El Salvador, Guatemala, and Honduras. Known as the Northern Triangle, this region has a long and complicated relationship with the United States.

*Northern Triangle* is an exhibition at the Mayborn Museum this summer. It was created by Borderland Collective, opening a space for constructive dialogue and exchange around the current Central American refugee crisis along the U.S./Mexico border.

## Ice Cream Social

Sunday, June 24

6:30 p.m.

until the sun goes down

*On the front lawn of the church – so you’ll need to bring a lawn chair. Sign up in the hall or call the office if you plan to bring a freezer of homemade ice cream. We need at least 12. Children, wear swimsuits to play in the sprinklers!*

## Summer meals for Waco students

Craig Nash of THI told us about Red Oak, an apartment community that needs help this summer. It is a mixed-income property with a built-in summer and afterschool program (New Life Alliance). Because of its relatively remote location and small numbers of kids they serve (around 20), the school district can’t serve them summer meals. They are looking for some help with shelf-stable food items that can be used to make meals for the summer program.

We hope you will pick up some items to fill their shelves and place them in the basket at the front door of the sanctuary through the summer. Here are some ideas:

- cereal, applesauce
- pasta and spaghetti sauce
- two loaves of bread and canned tuna
- a bag of beans, a bag of rice, and tortillas
- pancake mix and syrup
- crackers and almond butter (no peanut butter), jelly

## *Sharing a Little Cool Breeze*

You can help make this summer a more bearable for those less fortunate. If you’d like to bring a new or gently used fan, please drop it by the church on Sunday or during office hours. Boxed fans are good choices, and relatively

inexpensive. The fans will be equally distributed between Meals on Wheels and Caritas as a collaborative effort to support older adults. In some instances, your gift could be life-saving. Let’s help get things off to a cooler start with fans for some of our older adults.

## Children's Corner

## Committee Corner

"Debits and credits and budgets! Oh My!!" If this is the way you react when you hear that the church is having a called Business Meeting, rest assured you are not alone. For a church that has such a large number of highly educated folks, the area of church finances is one that causes some degree of fear and trepidation in many of us.

The good news is that over the years our church has had a number of astute business minded folks to act as the members of the Finance Committee. Presently Mike Raymond is the Chair and he has brought a very easy to understand method of keeping track of our financial position. Each year the Finance Committee is charged with the task of taking input from the other church committees, balancing that with a realistic expectation of income and expenses, and then producing a budget for the coming year. If you wish to offer your ideas and/or expertise, the Finance Committee is always looking to get new faces involved.

### Celebrations....

Sandy, Skip, and Mary Londos are in Germany for Annie and Tobi's wedding.
