The Scripture
 Mark 6:1-6

A Note about Youth Led Worship: We aspire to create a place at the table for everyone because when everyone's voice is represented, we hear God's voice more clearly. For that reason, annually we partner with the teenagers in our community to plan and lead a worship service. This practice helps educate and ground our youth in our Christian tradition while also giving us the opportunity to hear their stories and see God through their eyes.

Everything Happens for a Reason

... and other lies I've loved

Mandy McMichael, Associate Director and J. David Slover Assistant Professor of Ministry Guidance in the Baylor Department of Religion — and dear friend of Kate Bowler since their Ph.D. days at Duke — will guide our conversation.

Missions Table

Meeting
 Sunday, August 19
 3:00 p.m.

Purpose: to discuss the 2019 missions budget proposal.

Remembering Dottie Buchanan . . .

Many of you remember Dottie Buchanan. She and her husband, Buck, joined Lake Shore in 1975. In recent years she was not able to be as active as she once was.

Dottie's love for children and reading seemed to grow with her years. She was the librarian at Mountainview Elementary, and it was difficult for her to give in to retiring from the job she loved without end. As ill as she had been the last few years, "Mrs. B." finally retired at the end of the spring semester at the age of 86 since it was no longer possible for her to read to the children without tiring.

On Sunday Dottie died with her three daughters — Dottie Kay, Betsy, and Lois Ann — surrounding her. Dottie's service will be Saturday, August 11, at 10:30 a.m. at OakCrest Funeral Home with Jimmy Dorrell officiating, as he did at Buck's service.

Our prayers are with Dottie's daughters and all the teachers, parents, and children who knew and loved "Mrs. B." through the years, including many in our Lake Shore family who listened to the books she read to them. Blessings on the good and loving memories.

Two ministries that need caretakers right now:

- **The Sunday morning coffee**
If several people volunteer, we will create a rotating schedule of coffee-makers. Contact Sharlande if you can help for a month, a year, or even a week
- **The Library and the hall shelf with recycled books**
Ginny Brewer-Boydston's move to Plainview means that we are looking for someone who will help us put the new books that she prepared for shelving in their right places in the library.

Waco Immigrants Alliance Has a New Home . . . and We Need Your Help Warming It!

Thanks to an 18 month grant recently awarded to us by the Four Freedoms Fund, WIA has finally been able to secure a home office!!

Now, we're looking to YOU, our awesome base of supporters, to help furnish our little 10x10 office with a couple desks and chairs, and other essential office equipment like printers, paper, ink, and computers! If you've got something you'd like to donate (used items in good condition are welcome!), contact me and we'll connect!

Solid Gold Neighbor School Supply Drive

You may have heard about the new Transformation Zone that has been set up for the five schools that have been working to become successful places of learning. The NAACP, the National Sorority of Phi Delta Kappa, Restoration Haven, Saved and Successful and other groups are partnering with the Baylor University Solid Gold Neighbor Program (under the leadership of Ramona Curtis) to provide school supplies for the five schools. It is called the **Solid Gold Neighbor School Supply Drive**.

We want to provide school supplies for *every child* at the five schools — Brook Avenue, J.H.Hines, Alta Vista, Indian Spring, and G.W. Carver— for the *whole school year*. The Solid Gold Neighbor working committee determined that it will cost just \$30 per child to provide supplies for the entire year. If we all chip in, we can do this!

You can purchase supplies and drop them off at Baylor University, Clifton Robinson Tower, 3rd Floor, from 9:00 a.m. – 4:00 p.m. or Grassroots CDC, 1624 Colcord, Waco, Texas 76707, from 9AM–4PM

You can also donate money by clicking on this link <https://www.baylor.edu/give/index.php?id=49837&a=3&f=0154630> or make a check out to Baylor University-SGN and mail to the NAACP PO Box 20511. You may also visit the Solid Gold Neighbor to donate and add your name to the donor wall at <https://baylor.scalefunder.com/cfund/project/10910>

August is claim your mug month!

When Lake Shore became concerned about the environment years ago, Rufus Spain made a rack that hangs by the organ door to hold a mug for everyone who needs one for Sunday mornings or Wednesday nights. The rack filled, and Rufus made another rack.

We're not sure to whom all the mugs belong and whether every mug even belongs to someone who still comes to Lake Shore. We need to make room for new mugs. **Please claim your clean mug, write your name on the bottom with a Sharpie, and hang your mug on the rack. Mugs unclaimed by August 31 will be donated.**

If you don't already have a mug, we encourage you to bring your mug to leave here for coffee or tea.
