Presenter — Beth Farwell

Director of Central Libraries
Special Collections, Baylor

Wednesday, May 22 — 6:15 p.m.

Baylor University is proud to be home to one of a very limited number of St. John's Bible Heritage Editions. According to a Baylor news release, "The first reaction most people have upon viewing the Bible Heritage Edition is a sharp intake of breath or an audible gasp. The play of light on the illuminated pages, the obvious skill of the calligraphy, and the stunning nature of its illustrations all work together to create a visceral response to its inherent beauty." Beth will bring three of the volumes to show us tonight.

The seven-volume edition includes 160 major illuminations and hundreds of additional illustrations that weave together the Biblical narrative in an awe-inspiring, visually-stunning manner. It is made to the exacting standards by the creator of the original St. John's Bible, illuminator and calligrapher Donald Jackson. The Welsh-based artist and official calligrapher to the Queen, partnered with the monks of St. John's Abbey to create the first handmade, fully-illuminated version of the Bible made on vellum since the creation of the printing press more than 500 years ago. The original St. John's Bible exists only as unbound sheets of vellum; the Baylor set is seven bound volumes.

Sermon

Nate Myrick

The Scripture

Matthew 22 and 25

Nate Myrick to Preach this Sunday

Nate Myrick and his family — wife, Lesley; son, Ford; and daughter, Hasley — live in the Lake Shore neighborhood. When the Myricks moved to Waco in the fall of 2015, when Ford was a toddler, they agreed to attend a church that was in their neighborhood. Nate says, "LSBC is within walking distance, so it was the second church we visited, and we liked it so much we stayed :)."

Nate is a researcher, writer, and musician. He is fascinated by the intersection of ethics, theology, and music; he studies how people interact with God and each other through musical activity. He has recently been appointed Assistant Professor of Church Music at Mercer University in Macon, Georgia. Myrick received his PhD from Baylor University, his MAT from Fuller Theological Seminary, and his BA from Providence University College. He has performed in prisons and churches, written films and rock albums, produced a TV pilot, and wrapped more than his fair share of ground beef at a small-town butcher. He is finishing his book, *Music, God, and Relational Ethics*, and is the co-editor of *Ethics and Christian Musicking*, a volume under review with Routledge Publishing.

***Benediction offered in worship by
TJ Geiger, on Sunday, May 19:***

If, here, you have found freedom,
take it with you into the world.

If you have found comfort,
go and share it with others.

If you have dreamed dreams,
help one another that they may come true!

If you have known love,
give some back to a bruised and hurting
world.

Go in peace.

Update on Prayground

This past Sunday, May 19th, the Deacon Executive Committee met with available members of the Children's Education Committee to discuss the Prayground. We are grateful for the helpful conversations that provided action items. The items include the CEC continuing the conversation about proactive and creative solutions for potential noise concerns, updating the Deacons about the Prayground regularly, and supporting the ushers to ensure all visitors know the childcare options when visiting (Description of options available on paper also). The deacons voted in support of these recommendations at their meeting later that day. Thank you to all who have shared concerns and support. Please contact Jennifer Bronson Warren or Jenna Swanson for further information.

Prayers for...

Joan Parsons' memorial service is at Lake Shore this Saturday, May 25, at 3:30 p.m.

Nathan Stone is doing well, enjoying all his usual activities and having no negative side effects as he continues with a maintenance treatment for bladder cancer with day trips only to MD Anderson. The treatment plan consists of 3 treatments at MDA, one per week, with breaks of 3-6 months in between each set of 3. He is grateful for the love and concern of his Lake Shore Family.

Marian Funderburk was in the hospital Monday night when her temperature got too high and she developed other symptoms following chemo. Today she says she is "definitely on the mend." Her next treatment is June 7.

Kyndall Rothaus, who is on leave. We hold her in our prayers.

Helen Hastings, who was already in Hillcrest last week because of a broken collarbone and needed to have surgery on Friday morning because of an unrelated situation — a twisted colon. The surgery went well. Helen is still in Hillcrest, please check with the office about a good time to visit.

Mary Taft, a close friend of John DeVries, who is having heart surgery in early June.

Louise Clark, who is doing much better. Her medications have helped her a lot, but she will have a heart catheterization on June 7.

Jeanne Murphy, who had an MRI on Tuesday.

Dorothy Neatherlin, who fell on Mother's Day weekend and broke her nose in two places. The good news is that she didn't break anything else. The doctor said it was the first time he'd seen anyone her age fall and not get a concussion. Dorothy is doing much better this week.

Ice Cream Social

June 9 — 6:30

On the front lawn of the church — so you'll need to bring a lawn chair if you want to sit down outside. Sign up in the hall if you plan to bring a freezer of homemade ice cream. We need at least 12.

Meals on Wheels just learned that we will no longer be able to obtain pet food for our clients from our primary donor. This could spell the end to our pet food program because we have received approximately 1,400 lbs of food per month from them over the past 5 years. Please help us sustain our pet food program. At the moment we are in dire need of dog food. We have one more week's supply of dog food on-hand and about 3 week's supply of cat food. Help us feed our homebound seniors' furry companions. You can drop off your donations at 501 West Waco Drive. If you would like more info on how you can help our pet food program, please call 254-752-0316 or email rachel@mowwaco.org. Thank you!
