Litany

One: Resurrected Christ, when darkness overwhelms us

Many:may your dawn beckon.

One:When fear paralyses us

Many:may your hope release us.

One:When grief torments us

Many:may your peace enfold us.

One:When memories haunt us

Many:may your presence heal us.

One:When justice fails us

Many:may your anger ignite us.

One:When apathy stagnates us

Many:may your challenge renew us.

One:When courage leaves us

Many:may your spirit inspire us.

One: when despair grips us

Many:may your hope restore us.

One:And when death threatens us

Many:may your resurrection light lead us.

Amen
