Welcome   **Charlie Fuller**

We are a welcoming and affirming community of Christians, attempting to discover, articulate, and embody the meaning of the Gospel in the world today. We welcome all at Lake Shore because we believe that God's love knows no bounds.

Passing of the Peace   **Charlie Fuller**

One: Peace be with you.
Many: And also with you.

Call to Worship   **Grant Dooley**

One: In this hour of worship, we acknowledge that God is our constant strength in a sea of change.
Many: In these changing days when our personal stories are taking new shapes, we realize that becoming who we were meant to be is a life-long process.
One: In our changing world, God calls us to listen to others with welcome and curiosity and to listen to the wisdom deep within us.
Many: By attending to God's call, we see our truest selves begin to unfold.
One: This is how we love and how we receive love.
Many: When each of us listens to the future calling to us in the midst of life's noise, when we support each other as we respond to what the world asks from each of us,
One: we learn how to love, embrace, and release those who come into our lives.
Many: This is loving and being loved. Amen.
